Current Updates on Adhesive, Restorative and Esthetic Dentistry

Live CE Course Via Zoom

Date: Friday, February 5, 2021
Time: 9:00am – 4:00pm
Registration: 11:30am
Tuition: D $180 DT $75 Faculty $25 Residents/Students FREE
Credits: 6 (L)

This course will cover the below topics:

- The newest and current multiple surface bonding agents including Zirconia
- How to create conservative esthetic long lasting porcelain veneers
- Indirect processed resin veneers
- Direct posterior composites – how to avoid post-insertion sensitivity and marginal leakage
- Porcelain inlays – preparation, placement, polishing
- Color theory and its application in dental procedures
- Logical approach to shade matching
- High tech shade matching
- Correction of discolored teeth using translucent indirect veneers
- The basics of occlusion made simple and understandable
- Restoring the worn anterior dentition with conservative porcelain veneers

Upon course completion, you will:

- Learn the latest in anterior and posterior esthetic and restorative procedures.
- Learn helpful hints to make these procedures faster, easier and more predictably successful.
- Learn how to correct challenging cases including:
  - Moderate to severe anterior wear
  - Creating strong bonds to Zirconia
  - Correction of severely discolored teeth
  - Misaligned teeth (“instant orthodontics”)
  - Post-insertion issues with direct posterior composites
  - Indirect posterior ceramic restorations
**Presenter**

Steven P. Weinberg, DMD

Dr. Weinberg is a Clinical Assistant Professor in the Department of Restorative Dentistry at the University of Penn School of Dental Medicine and Adjunct Faculty at the Kornberg School of Dentistry, Temple University. He has also been on the faculty of 5 other dental schools for their post-graduate esthetic programs. He received a Certificate of Proficiency in Esthetic Dentistry from NY State University. He is a Fellow in the International Academy of Dental Facial Esthetics. Dr. Weinberg opened his private practice in New Jersey in 1978 with an emphasis on esthetic restorative dentistry. He has been lecturing nationally and internationally on esthetic and restorative dentistry for over 43 years. He is a Clinical Assistant Professor in the Department of Restorative Dentistry at the University of Penn School of Dental Medicine. He is also an adjunct Instructor at the Kornberg School of Dentistry, Temple University. He has also been on the faculty of 5 other dental schools for their post-graduate esthetic programs. He received a Certificate of Proficiency in Esthetic Dentistry from the State University of New York at Buffalo. Dr. Weinberg opened his private practice in New Jersey in 1978 with an emphasis on esthetic restorative dentistry. He has been lecturing nationally and internationally on esthetic and restorative dentistry for over 28 years.
