Credits: 4 (L)

Pain Management, Identification of Addiction, and Guidelines for Prescribing or Dispensing Opioids is a live 4 hour lecture that covers all the material to satisfy the Pennsylvania continuing education requirement. This program is designed for all prescribers of controlled substances from the resident to our veterans about to retire. Through literature reviews, case studies and professional experience the participant will understand their role is combatting the current opioid epidemic.

Upon course completion, you will:

- Review State and Federal requirements for prescribing controlled substances;
- Establish a pain management plan for your office.
- Utilize appropriate prescribing practices.
- Understand managing acute pain and palliative medicine.
- Learn about prevention, screening, signs of addiction and responses to abuse and addiction.

Presenter:
Dr. Marc M. Gottlieb

Dr. Gottlieb was born and raised on Long Island, attended Union College in Schenectady New York and then shuffled off to Buffalo for Dental School. While at the University of Buffalo he received many academic scholarships, awards and fellowships. After graduation from dental school Dr. Gottlieb went on to a two year post-graduate residency program at Long Island Jewish Medical Center This unique opportunity provided advanced training in anesthesiology and all the specialties of dentistry. Dr. Gottlieb is currently on staff at Stony Brook University Hospital, maintains a full time private practice, lectures all over the country and has authored over a dozen dental articles. For the last six years he has made Dentistry Today’s list of top CE providers.
